SUMMARY

Seeking a Responsible Position in an Organization that gives me a chance to improve knowledge, enhance my skills, and strive towards the overall development of the organization.

EDUCATION

| | |
|---|-------------|
| Master of Computer Application , Siddhant College Of Engineering Sudumbare | |
| CGPA: 8.52 | 2022 |
| Bachelor Of Computer Application IIBM College Of Chinchwad | |
| Percentage: 61.81 | 2019 |
| Class XII , Swami Vivekanand Jr College Of Shivane | |
| Percentage: 69.85 | 2016 |
| Class X , Shri Sant Tukaram Vidyalaya Shivane | |
| Percentage : 65.00 | 2014 |

PROJECTS :-

1. Character Device Driver :-

- **Technology** :- Linux System Programming Using C.
- **Description** :-This Project is used to create a working model of character device driver or linux platform.
- We implement a complete driver model which implements all functionalities to operate the device,We implement the low level input output functionalities for the device
- To Check the functionalities of the device driver we create a client application using C Programming

2. Duplicate File Removal.Duplicate File Removal :-

- **Technology** :- Linux System Programming Using C.
- **Description** :- This Project is used to travel complete file system and remove all the duplicate files for it.
- To check whether files are identical or not we use checksum of that file.
- If checksum of files are identical then we delete the files.
- To implement this we use low level system programming approach.

3. File Packer and UnPackerFile Packer and UnPacker :-

- **Technology** :- Java Programming .
- Developed a GUI based Application which performs the task of File Handling.
- This Application fetches data from multiple files and merges it into a single packed file, as well as can also extract all packed files whenever required.

INTERSHIP EXPERIENCE

- **Ennobridge Tech, Pune**
(Java developer Intern)

I am Worked on Live Dashboard for Real-Time Updates In this project I gained the knowledge about java Html, CSS, JavaScript.

SKILLS

- **Languages:** C ,C++, Java, SQL, JavaScript, HTML, CSS,
- **Version Control:** Proficient in using Git/GitHub and Command Line Interface(CLI)
- **Tool:** MySQL, GitHub, Excel, PowerPoint.
- **Platforms:** Visual Studio Code, Eclipse, Git Bash
- **Soft Skills:** Collaboration and teamwork, Growth Mindset, Detail-oriented, Persistence.

ADDITIONAL SKILLS & CERTIFICATIONS

- Junior Java Full Stack Development training offered by **Generation India** and **Vinsys IT Service**
- **Data Structure in C** (Great Learning)
- **Java Programming** (Great Learning)
- **OOPS in Java** (Great Learning)
- **CPP By** (LetsUpgrade)
- **Learn Java Course** (Codecademy)
- **Code foundation Skill Path** (Codecademy)
- **Learn Git and GitHub** (Codecademy)

Strength and Weakens

Strength : My strength Are Strong problem-solving skills Excellent teamwork and proven by successful collaboration on multiple projects.

Weakness: Public speaking I Improvement Currently taking a public speaking course to build confidence and improve presentation skills.

DECLARATION

I am dedicated and skilled software developer with a strong foundation in programming and system development. I am eager to contribute to an organization where I can continue to grow and make a meaningful impact
